SCHEDULE 1**Special Build Out Specifications: Landlord shall provide turnkey buildout.**

Adherence to Exhibit D of the Lease interior and buildout specifications and the following: (a) Agency Specific Requirements and (b) Concept Plan and (c) Space Needs /Design Summary Sheet.

AGENCY SPECIFIC REQUIREMENTS:

Parking: Staff parking area must be safe, secure with direct access to building, and requires 24 hour access. Entirety of staff parking to be gated or fenced, well lit, and access secured by card, fob, code, or otherwise. Paved, lighted, striped and free parking for a minimum of 152 spaces. (116 spaces for staff and 36 general spaces for visitors.) The parking provided shall include handicap parking to meet the relevant code requirements.

Building:

Agency requires 24 hour access, appropriate HVAC, and other applicable building mechanics as appropriate for business operation.

1. Secure receptionist windows (ADA compliant) with speaker holes & pass-thru slot (agency requirement). See attached drawing.
 2. Secured door to have release button are receptionist desk (agency requirement)
 3. Drug testing rooms require a lockable wall or base mounted cabinet to securely store testing supplies (agency requirement more specifically described in interior build out specifications)
 4. Receptionist door shall be equipped with door release button so that receptionist can admit persons who do not have Department Identification, such as maintenance personnel or vendors (agency requirement)
 5. Visitation room (for new construction, viewing window should be 30" AFF and 36"x 48" glass with one way film so that clients cannot see into the employee area, but case manage can view clients.)
 6. Window Treatments. The base building shall include building standard window treatments on the exterior Tenant windows.
 7. All lockable doors accessible by clients shall have an "emergency lock out" feature, that allows employees to gain access to a room when a client may have locked themselves inside, whether accidentally or intentionally. This does not apply to secure rooms such as hardwall offices, file and storage rooms, or large meeting rooms.
-

Landlord provides and installs but may request reimbursement by Agency. These items should not be included in lease rate:

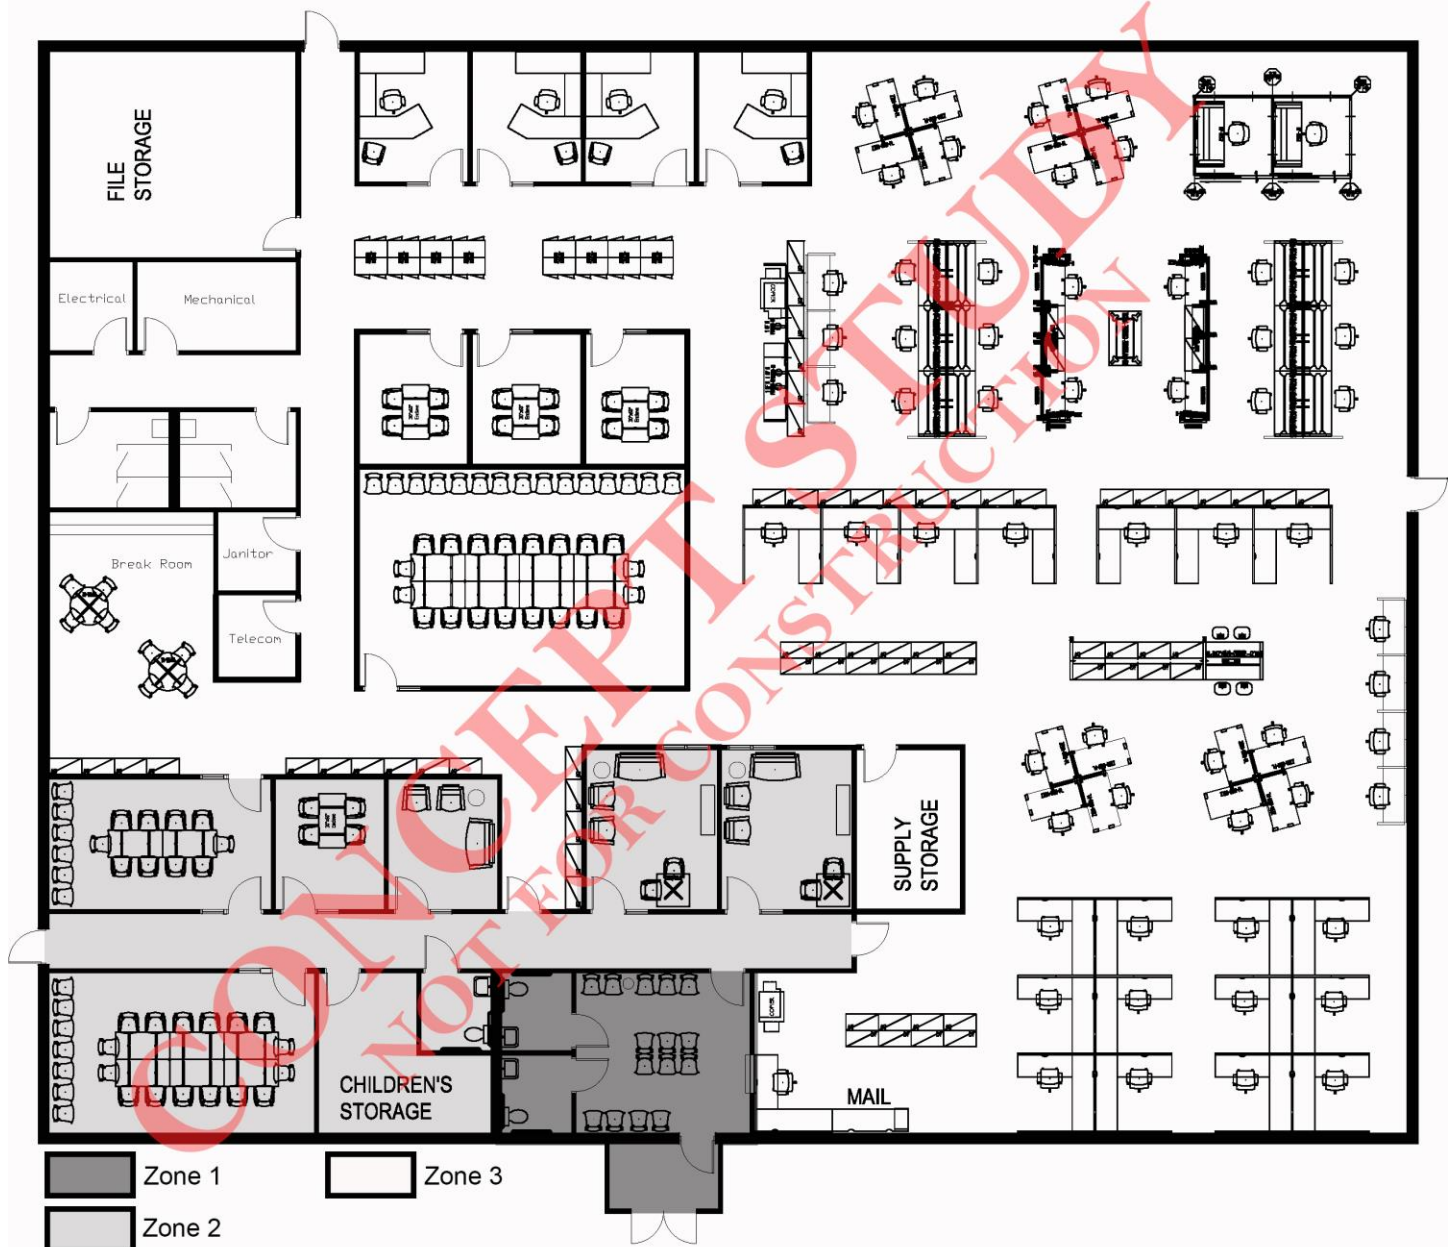

1. Convex Mirror in corner of waiting room, if needed
2. Door release button at receptionist desk, keypads and associated electric strike and wif-fi throughout space.
3. Diaper changing station, preferably wall mounted, in Client Restrooms

Layout/Floor Plan: Department of Children's Services requires three (3) separate security zone access rights. All rooms which need to be accessed by clients should be included in a secure client hallway.

1. Zone 1 – Client – public access zone – waiting room, client accessible restrooms, receptionist workstation with access to all three zones.
2. Zone 2 - Client/Employee shared access in secure client hallway (such as: Drug Test Room, Visitation Room, Large Conference Room. Note: other rooms may or may not be included, such as Small Conference Rooms or Enclaves, etc., depending on the configuration of available space. All lockable doors accessible by clients should have "emergency lock-out" feature, which allows employees to gain access to a room where a client may have locked themselves in, whether accidentally or intentionally. This would also apply to client restrooms)
3. Zone 3 - Employee secured zone with no client access (i.e. file rooms, offices, storage rooms, breakrooms, etc).

See also Concept Plan and Design Summary Sheet below.
